1. Uniform Policy

1.1 Uniform Rationale

A smart appearance is an increasingly important aspect of modern life as it does help a person to display an air of self-confidence and a sense of respect. The Academy aims to prepare students for a successful life and so an emphasis on taking pride in one's own appearance is an essential part of the educational process. The Academy has a strict uniform policy which helps to enhance the purposeful and successful climate of the Academy. Our uniform policy demands professionalism and ensures safety which also ensures that students are fully focused on learning as opposed to other distractions.

The Academy Uniform and Equipment Policy also creates a unity of spirit where there is no distinction between students in terms of wealth or background and supports our belief that personal appearance does affect standards of behaviour and therefore academic performance.

The Academy uniform provides students with many positive advantages, because uniform:

- Diminishes the social exclusion of students based on what they are wearing
- Places stronger focus on academic performance
- Reduces family tension as students do not have to compete with their peers for the latest trends in clothes
- Creates an atmosphere of teamwork
- Encourages pride in personal appearance and of the Academy
- Promotes safety, particularly through making it easier to identify strangers
- Increases self-esteem and reduces peer pressure
- Most cost effective to parents in the long run
- Makes them ambassadors for the Academy in the local community

1.2 Uniform Expectations

Students are expected to wear full academy uniform on the way to and from the Academy. **Essential items of uniform, e.g. Academy blazer, tie, jumper and some items of PE kit, are only available from the Academy uniform suppliers, [Brigade Schoolwear](#), due to being branded with our logo, these are denoted with an '*' in the tables below.**

Nearly all of the items listed in our uniform policy can be acquired from our uniform provider, enabling a 'one stop shop' for purchasing an entire uniform. While items can also be procured in other shops e.g. black trousers and skirts, we ask parents to consider the cost effectiveness of these as often the quality and shelf life of such items are not in line with that of Brigade; this can be a false economy over time. If buying equivalent items from other shops we also ask that they fall in line with the 'acceptable' expectations outlined below, and do not put your child at risk of being sanctioned due to incorrect uniform that is deemed 'not acceptable'. It is strongly recommended that students' uniform is labelled with their names to avoid confusion when changing for PE.

1.3 Uniform Violations

Form Tutors and subject teachers will check uniforms both in morning registration and again at each lesson transition while students are lined up outside their classroom.

The [Student Conduct Card](#) will be used to monitor minor uniform violations throughout the academy day. The following list is not exhaustive, but provides a clear expectation of what uniform infringements staff will openly challenge:

- Untucked shirt
- Not wearing blazer outside of lessons
- Top button not done up
- Holding rather than wearing tie
- Skirt rolled / pulled up
- Socks pulled up, not around ankles (with skirt)

If a Student has no tie, they are sent to their college student services to borrow one and a C1 30 minute detention is logged for the first offence with a C2 60 minute detention for a second offence. If a student is wearing make up they will be asked to remove this and will be given a C2, 60 minute detention. Any jewellery will be confiscated and returned as in line with our [Behaviour Policy](#).

If a student has incorrect shoes, shirt, trousers or blazer or makeup that cannot be removed (e.g eyelash extensions, fake tan, fake nails) they are sent to the student services to call parents. The student will be placed in isolation until someone is able to bring in the correct uniform, or with permission from parents will be sent home to rectify the uniform violation if they are deemed of suitable age. Non-essential items of clothing and other accessories that are not acceptable according to the uniform and appearance, such as hoodies, can be confiscated by teachers and will be returned to parents if they come to school to pick it up.

If a student is sent home to rectify their uniform this would be an authorised absence, rather than an exclusion. If, however, the student takes longer than necessary to change, or takes advantage of this rule to ensure that he/she is sent home from school, the absence will count as unauthorised.

The Academy may consider excluding a student in response to persistent breaches of the uniform policy and will do so in line with the legal requirements for exclusion.

1.4 PE Kit

The National Curriculum expects all students to learn about Physical Education. This can be through practical sports/activities, coaching or leadership. If a student cannot participate in the practical part of the lesson, due to sickness, injury or medical illness, a letter will be required from a parent/carer. Students are still expected to learn within the lesson therefore all students are expected to bring a full games kit every lesson, regardless of illness or injury, as they will be required to act as officials, observers and coaches, in a non-physical capacity. Students will only be excused following a doctor's recommendation and if this is the case, a doctor's note will be needed and alternative arrangements will be put in place. Failure to bring the correct PE kit will result in a C1, 30 minute detention and spare kit will be provided. If a child refuses to wear the spare kit, patrol will be called and a C2 detention given.

The items marked with an '*' must be acquired through our uniform provider, Brigade, as they bear the Academy logo. Students are not expected to have all the items listed below but must ensure they have one item from each row as a minimum. It is strongly advised that all PE kits are labelled with students' names.

2.2 Failure to be Equipped

Full equipment checks will be regularly carried out by Form tutors during morning registration and form time. If students need to borrow a piece of equipment from their form tutor or student services due to their failure to be prepared, they will be required to leave a deposit (e.g mobile phone, house keys etc.) in exchange and must return the equipment by the end of the day.

Failure to be properly equipped will be recorded on the [Student Conduct Card](#) and if this occurs twice in a week a C1, 30 minute detention will be set.
