

I would like my child to participate in the workshop during the school day to create a carnival costume. There will be two groups of students, one on Wednesday 29th and the next Monday 4th July. Your child's participation day will be confirmed once replies are received. A further letter with information about the day of the carnival itself will be sent out once EEA provides full details.

My child

will then be able to participate in the carnival processions on the 9th July.

will not be able to participate in the carnival processions on the 9th July.
